

COMPLY WITH THE FUTURE

What is it?

A B2B Smartphone App and Website that notifies you about incoming laws and trial verdicts affecting your business

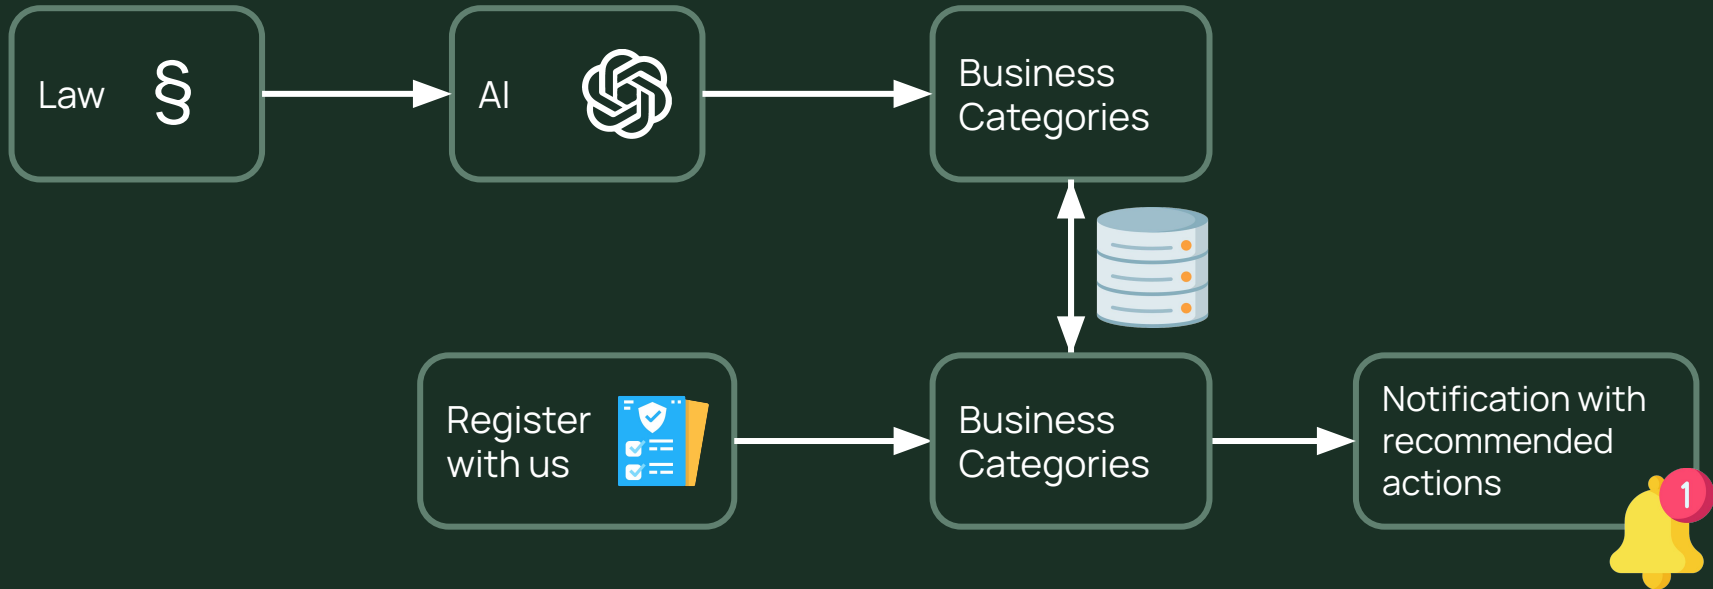

Introduction

- Businesses need to keep up to date with new laws and regulations
- Most vulnerable are small businesses
- According to the U.S. Small Business Association (SBA), small businesses of 500 employees or fewer make up 99.9 % of all U.S. businesses and 99.7 % of firms with paid employees. (Source)

The benefits of using AI for legal compliance

- Real-time notifications
- Full automation of basic compliance tasks
- Autonomous identification of risks
- Faster than any human

App Logic
